DE 4\*: Nur Deckfläche durchbohren. Keinesfalls durch das Einsteckschloss bohren!

EN 4\*: Only drill through the top surface. Do not drill through the mortise lock!

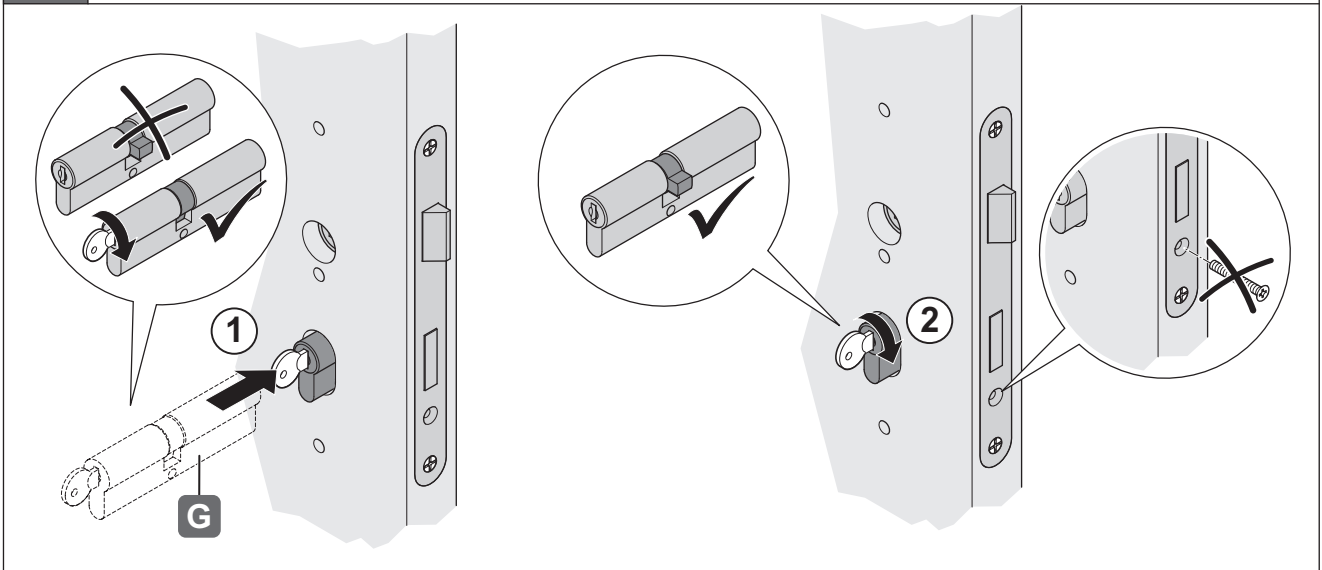

FR 4\*: Ne percer que la plaque de recouvrement. Ne jamais percer la serrure à mortaiser !

ES 4\*: Taladre únicamente la cubierta. ¡Nunca se debe perforar la cerradura!

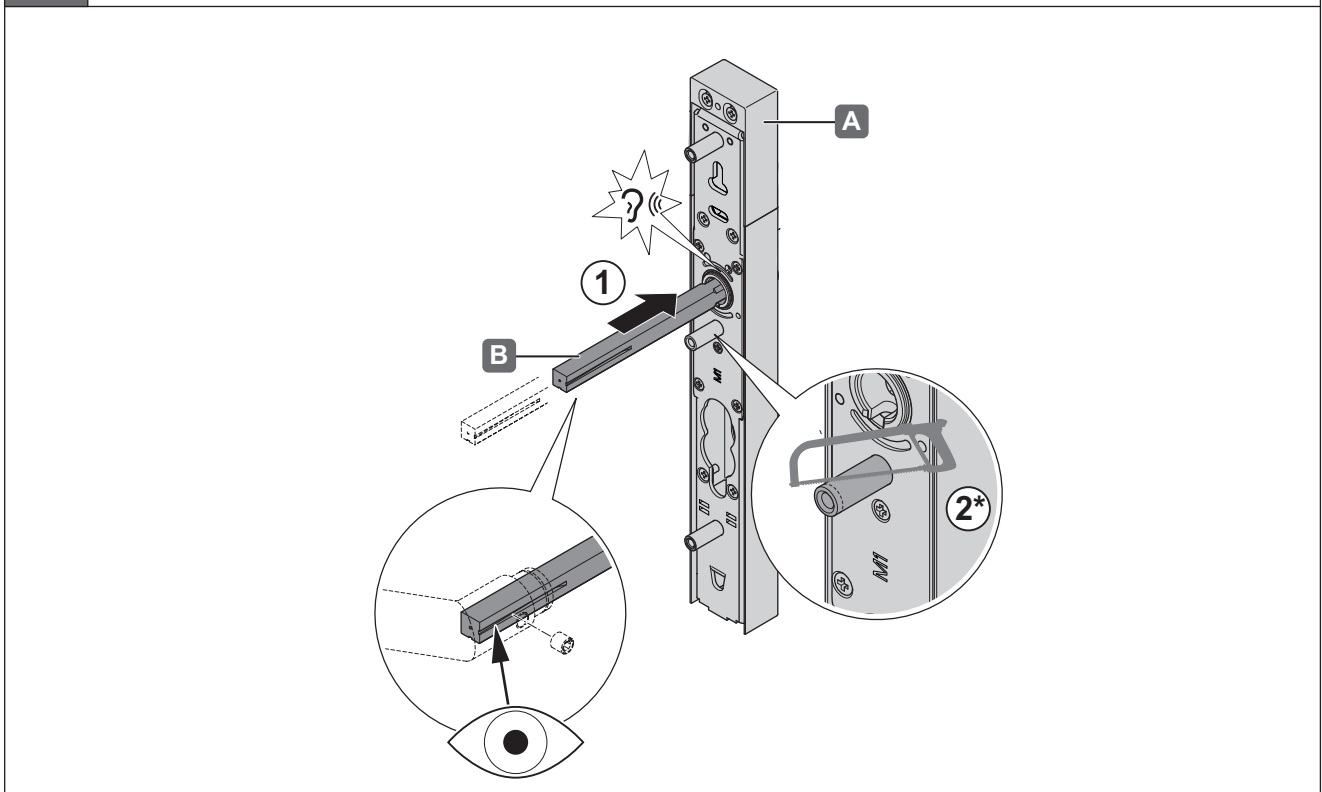

IT 4\*: Forare solo la superficie di copertura. Non forare in nessun caso la serratura da infilare!

PT 4\*: Furar apenas a área de cobertura. Não perfurar de modo algum a fechadura!

3

DE 2\*: Mittlere Abstandshülse bei Bedarf kürzen. Terminal muss bündig auf dem Türblatt aufliegen.

EN 2\*: Shorten the middle spacer sleeve if necessary. The terminal must lie flush on the door leaf.

FR 2\*: Raccourcir la douille d'écartement centrale si nécessaire. Le terminal doit être affleurant sur le vantail de porte.

ES 2\*: Acortar el casquillo distanciador central si fuera necesario. El terminal debe montarse de forma enrasada sobre la puerta.

IT 2\*: Accorciare la bussola distanziatrice media in caso di necessità. Il terminale deve essere posizionato a filo sul pannello porta.

PT 2\*: Se necessário, encurtar a manga distanciadora central. O terminal deve estar nivelado no painel de porta.
